**Subject:** Bicycle & Pedestrian Advisory Committee Vacancy

Christine --

Mr. Richard Thompson was appointed to the Bicycle & Pedestrian Advisory Committee (BPAC) in October 2002, and he was able to attend one BPAC meeting in December 2002. In March 2003, I spoke with Mr. Thompson, and he indicated that he planned to resign from the BPAC because he wasn't as interested in it as he had thought he would be and would send me a letter and recommendation for a replacement. I have not received anything from Mr. Thompson, and I would like to go ahead and replace him on the BPAC.

I have received an application from Ms. Sarah Owen to serve on the BPAC. Her application and resume are attached. As new BPAC members are appointed, I am trying to make the membership more representative of the population of Leon County, and as there is currently only one other female member, Ms. Owen's appointment would move us in that direction. As other positions are filled in the next few months, I will continue to increase the diversity of the BPAC.

Thank you for your assistance. Please let me know if you have any questions or need any additional information.

Thanks.  
Jennifer
